Stepping Through S.H.S.

As we step through these doors of learning, Saltsburg High School extends its warm handclasp of education to each of us...we reach out...and accept one of the best friends we will ever know...our school years are enriched by the people we meet...the friends we acquire...and the experiences we encounter...these compose our twelve wonderful years of unforgettable challenges...as we meet each challenge, the victory is ours!...the steps are slow and sometimes uncertain...at times we stumble and fall, but that helping hand is always waiting to guide us up another step toward success.

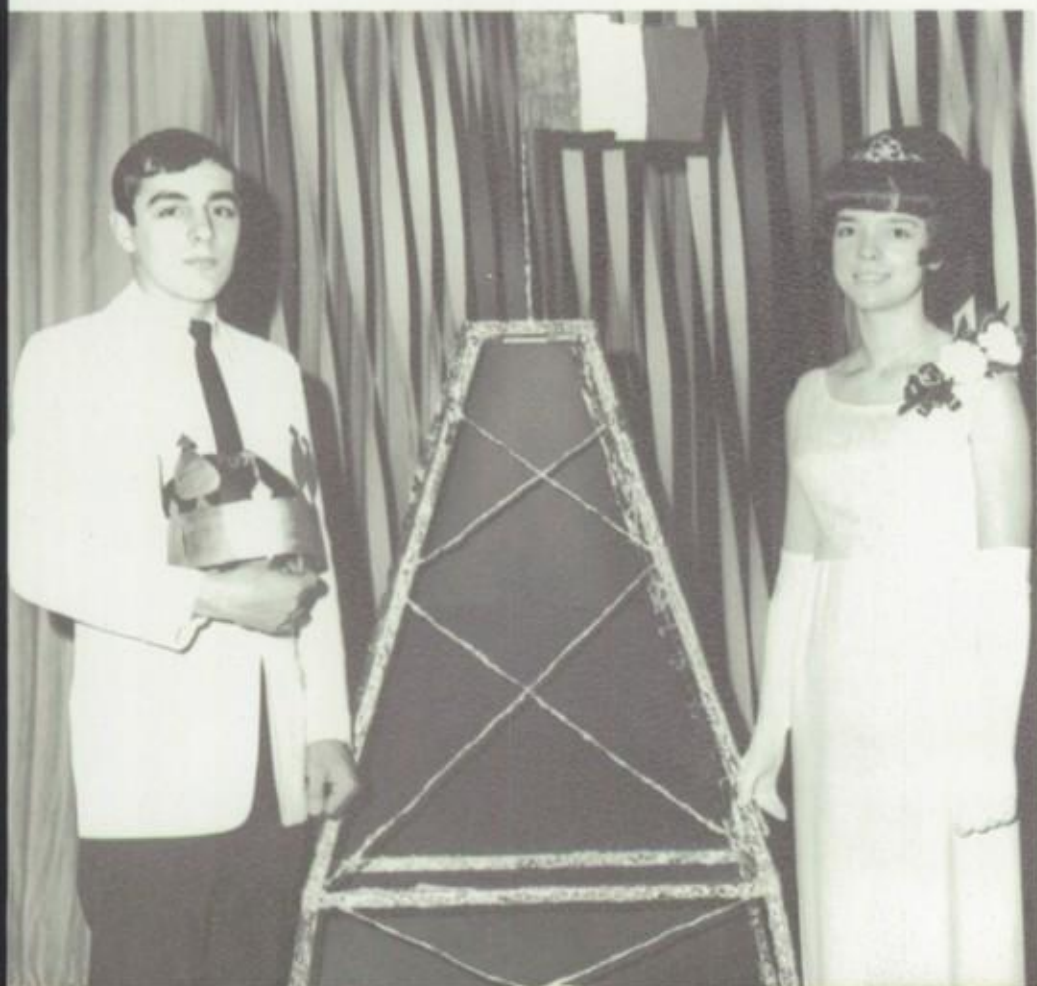

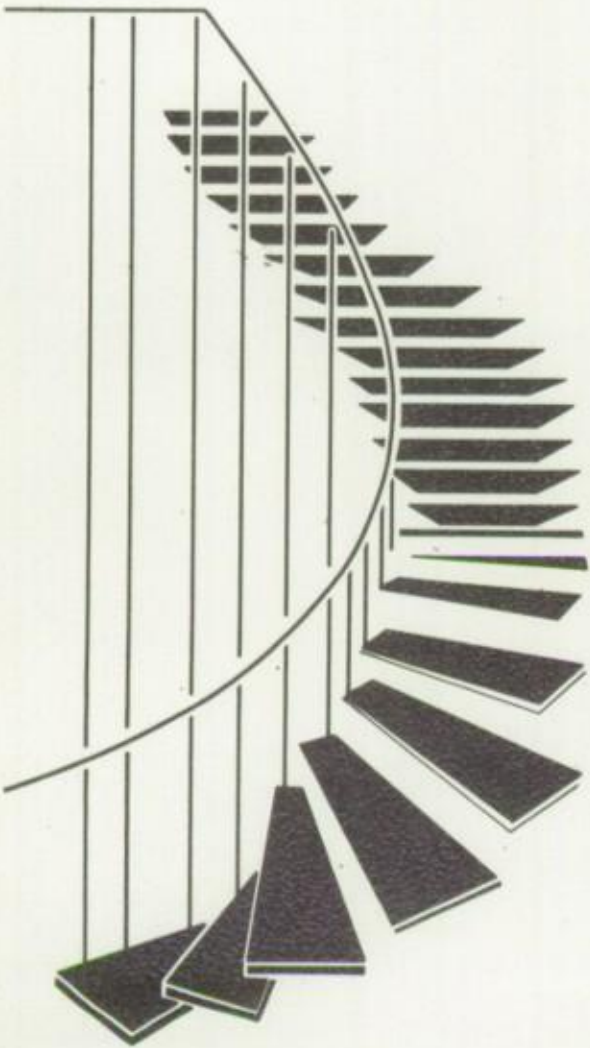

Seniors Step Into the Future

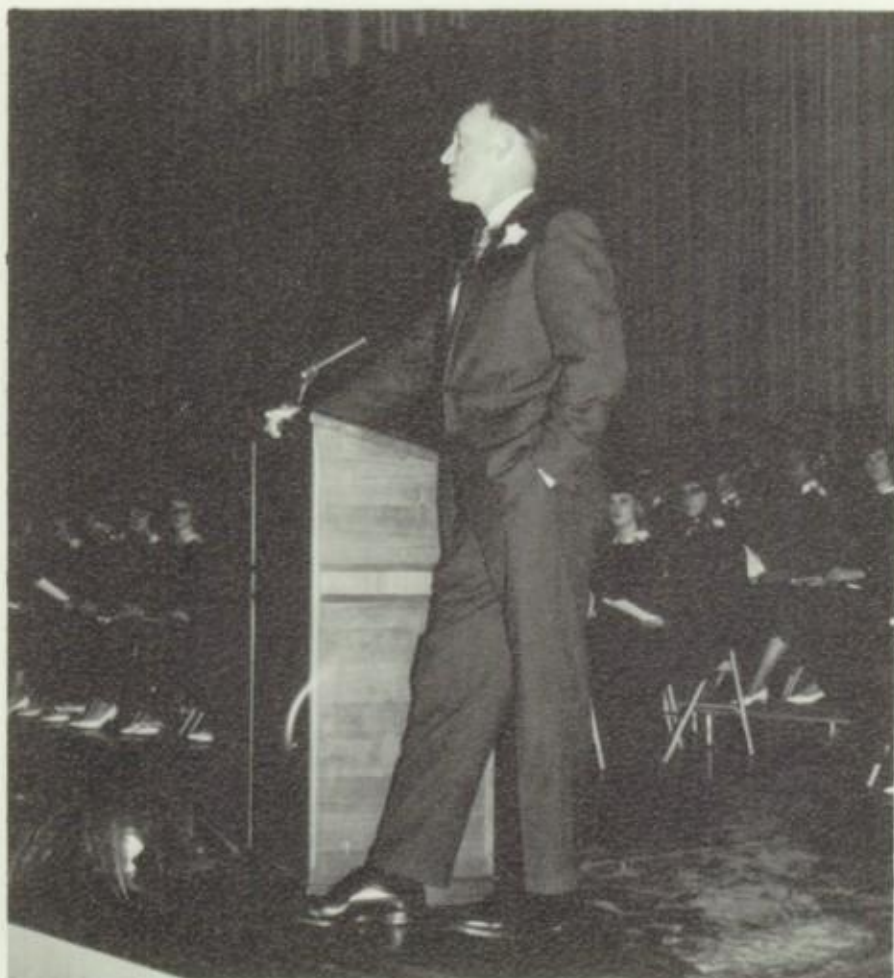

As we Seniors step into tomorrow's world may good fortune cross our paths...may we be the leaders of a better world and make our mark in history... leaving footprints in the sands of time, for others there, to see...it will take determination and good old fashioned work...we're accustomed to this... we've competed in the classroom, on the gridiron, in dramatics...and we've mastered many feats... the foundation is laid, it's up to us to do the rest... and do it we will...as we climb another step up the stairway of life.

These Help Coordinate School Life.

There's more to school than just readin', 'ritin', and 'rithmetic. Services rendered by the groups represented on this page are essential to our school life at S.H.S.

Our hard working cooks are Mrs. I. Gasperini, Mrs. G. Urban, Mrs. A. Kachonik, Mrs. M. Walters. No amount of class interest can suppress our hunger pangs when the tantalizing aroma from the kitchen seeps up through the halls around 11:00 everyday!

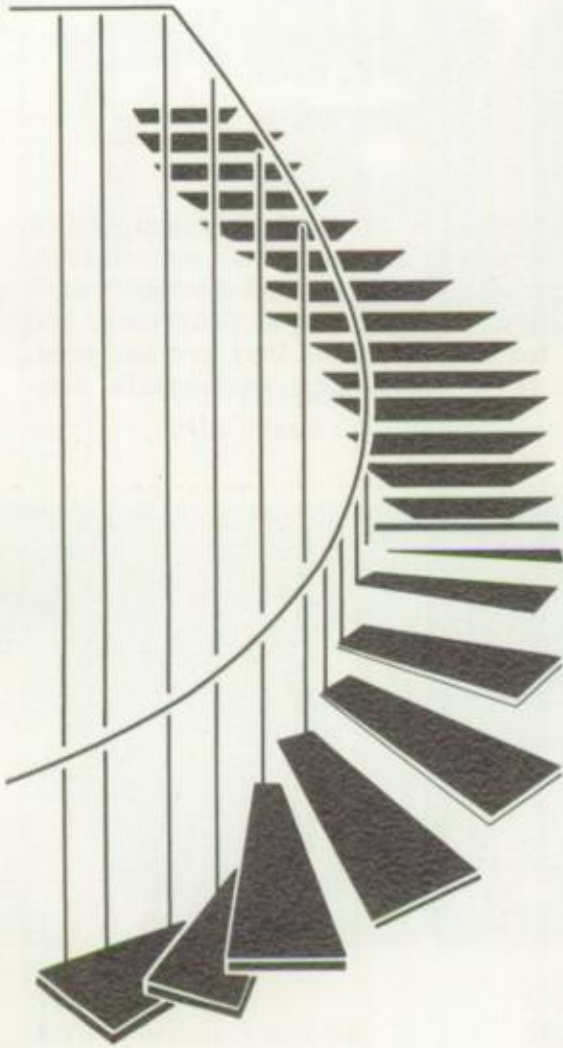

Janitor on day-shift duty--Mr. H. Corridoni, Mr. E. Luciw and Mrs. E. Gray also help with the mammoth job of keeping our school clean and in good repair.

Band Mothers--Row 1: Mrs. P. Thompson, Secy., Mrs. B. Dice, V.Pres., Mrs. H. Pierce, Treas., Mrs. B. Bell, Pres. Row 2: Mrs. D. Rose, Mrs. J. Lasher, Mrs. I. Weaver, Mrs. B. Wagner. Row 3: Mrs. H. Rose, Mrs. B. Greece, Mrs. A. Kachonik, Mrs. K. Vensel, Mrs. A. Wylie. Saltsburg Band Mothers aid not only band members, but majorettes as well. Their yearly project is the Band Banquet, which was held at Rustic Lodge in a Smorgasbord style. Among other benefits, the ladies raised enough money to buy new uniforms for the majorettes.

"Seniors Make the World Go Round"

As we, the Senior Class of 1967, pass through the doors of Saltsburg High School for the last time, the past will hold for us many picturesque memories.

Athletically and academically, our class achieved many goals. The Senior Troymen led our football team to the school's first undefeated season and County Championship. The '67 Senior Class is also the first class to complete the accelerated course of study in Saltsburg.

Among our many other accomplishments were our Freshman Sweater Hop, "Cupid's Promenade", our Christmas dance, as Sophomores, "Santa's Shindig", our Junior Prom, "Rendezvous in Rome", and our hilarious Senior play, "You Can't Take It With You."

The future will be a challenge to each of us; we hope we have somewhat successfully prepared ourselves for the demands of the coming years.

Eugene Bartolini
Sr. Class President

Sr. Class Officers: President-Eugene Bartolini, Treasurer-Carol Schmidt, Vice-President-Bill Boring, Secretary-Toni Anecchini

Class song: "Climb Every Mountain"

Class colors: Green and Gold

Class flower: Yellow rose

Class motto: And departing

leave behind us

footprints

in the sands of time.

Judy Koontz was chosen as Saltsburg's Good Citizen of the Year by the 1967 graduating class. She has displayed the following qualities: dependability, service, leadership, and patriotism.

Spectacular prize winning Homecoming float created by the Senior Class.

Challenging Classes

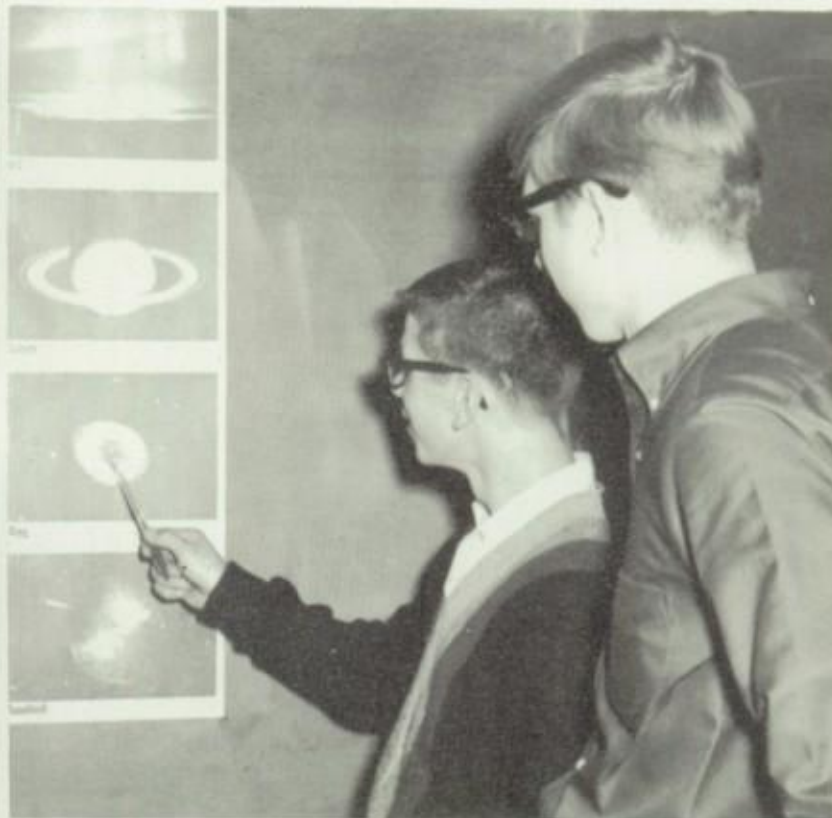

Six week book report - F. Zimmerman's seems to be amusing.

Woodworking - A. Cribbs applies stain to chest.

Physical Fitness Training - Pressing weights and practicing pull-ups.

Astronomical phases of Senior Science - D. Lyons and S. Cup observe the "Owl" Nebula.

At S.H.S. an attempt is made to evenly balance the scales among physical fitness, vocational training and academic endeavors. Teachers with the aid of films, records, demonstrations, visiting guests, etc. provide the stimulus; students with their individual ambitions provide the incentive. Gym, shop and Home Economics furnish the activity that makes studying more beneficial and diversified.

P.O.D. - Mrs. Larimer points out trouble spot, Southeast Asia.

Machine Shop - Mr. Bortz instructs W. Craft in use of lathe.

Afford Academic Experiences.

Speed drills in typing.

Girls Gym Class - J. McCreary and L. Klimkos jump for the ball.

Industrial Arts - Draftsmanship demands precision.

Physics Lab - G. Gasperini, M. Mack, and Mr. Flack experiment with collision balls.

Leading V. I. P.'s

Whether sending invitations, making decorations, inquiring about entertainment or baking goods for the bake sales, we Juniors found that each of us had a job in planning the Junior-Senior Prom, April 28, 1967. Cooperation and ingenuity were combined, and everyone who attended the gala affair said it was thoroughly exciting.

Our first activity as Juniors was the Thanksgiving dance, "The Cranberry Shuffle." It was different; it was a Sadie Hawkins dance!

As we look into the misty future, we see ourselves as Seniors and hope to achieve useful experiences for our chosen fields of endeavor.

Reed Cyphert, Pres.
Joyce Good, Secy.

Santa Claus, Christmas trees, tinsel, snowflakes, and a little hard work!--That's the way it was for the Sophomore class on December 14, 1966 as we held the annual Christmas Dance, the "Ho! Ho! Hop," which turned out to be very successful.

We are proud of our class as we participated in football, basketball, wrestling, majorettes, and cheering--as well as Honor Roll membership. We hope our next two years will be filled with even more exciting events and as much fun as we have experienced our Sophomore days this year.

President--Walter Hankinson
Vice-President--Rick Helfer
Secretary--Marjorie Heard

Fr. Officers: L. Hazlett, Pres.; D. Bills, Treas.; K. Helfer, V. Pres.; M. Summerson, Secy.

The class of 1970, have proved themselves highly capable in assuming their role as Freshmen. They very eagerly took part in many activities and demonstrated their school spirit and industry through various activities, fund raising projects and a successful "Sweater Hop", Feb. 9, 1967. This event honored the Seniors from whom was chosen the Sweater Hop King and Queen.

Now as the year draws to a close, they are a more mature class, looking forward with eager anticipation and unbounded enthusiasm to their new horizon--10th grade.

Gay half-time festivities and high spirits of victory joined forces to produce an unforgettable afternoon for our Second Annual Homecoming, on October 1, 1966. This year more floats by town organizations were added to the colorful parade. A 20-6 score over Purchase Line by the hard-fighting Trojans was welcomed by their steadfast boosters and visiting spectators. Fond memories were discusses among alumni at the evening dance. Townspeople, visiting guests and participants all agreed it would be hard to equal this day's memorable preformances.

Careful contemplation and critical review went into the completion of the 1967 La Saltianna. Every spare moment was spent composing write-ups, revising what had already been written, checking space allowed and size of copy, and creating descriptive page headings. Staff members learned to draw up page layouts, crop pictures proportionally, and proof-read for minute details. They were willing to work to their utmost capacity during study periods and after school hours; this yearbook, their ultimate goal, represents the fruit of their labor.

Salt Shaker Has New Format.

Reporters on the loose! Gathering colorful and current news for their revised school paper was the agenda of the week for Salt Shaker journalists. Typists and proofreaders readied the dummy copy, making certain every Salty tidbit had been carefully included. Bold black type-hot off the press-greeted the enthused readers every publication.

Editor, G. Luciw, (center) talks with the photographer, R. Klimkos, and sports editor, Tim Wildfire.

Reporters J. Sell and C. Michelotti interview new teachers: Mrs. Larimer, Mr. Bortz, and Mrs. Goltz. Interesting thumb-nail sketches of each new teacher were carried in the Salt Shaker's first copy of the year.

Proofreaders, J. Koontz and S. Schardt assist typist, S. Duke.

What's new? Darla Parson and Linda Klimkos write about the interesting happenings around the school for the weekly Teen Talk column in the Indiana Evening Gazette.

Natalie Wildfire and Mr. Fenoglietto proofread "The School News" column to be printed in the town's weekly paper, Saltsburg Press.

Quiet please! Girls of the Library Club spend their free time assisting Miss Jackson in her many duties as a librarian. They help create a pleasant atmosphere in which students find writing reports and research papers easier. Besides mending and checking out books, and shelving magazines, they decorate the showcase and bulletin boards.

"A stitch in time, saves nine". FHA girls exhibited their ingenious ideas in assembling emergency sewing kits for each homeroom. Under the supervision of Mrs. Macro, they planned a Christmas party, served as waitresses for school banquets, and completed home projects, such as designing ensembles, planning meals and refinishing furniture.

The Varsity Club is visible proof of the statement that a sound body and a sound mind work hand-in-hand. Not only have our football and basketball players, track and matmen brought honor upon themselves, but upon S.H.S. as well, by displaying their athletic prowess and academic awareness. The boys proved themselves capable managers when they helped with the 1967 Homecoming plans and Homecoming Dance for all alumni and friends. Through the profits made from the dance, the boys were able to purchase jackets and varsity letters for all deserving members.

All seventh and eighth graders who enjoy "globe trotting" are members of the Geography Club, sponsored by Mr. Andersen. These members study countries around the world, plus the geographical features of Pennsylvania. They believe that one must know his own state, before the study of a foreign country will be beneficial.

To increase this knowledge, they have written research papers on "How to Make Pennsylvania Beautiful," which were submitted to our State Representative. A field trip to the Conemaugh Dam by bus was quite exciting as well as educational. The engineers and guards there explained the working and maintenance of this flood-control project.

"Rendezvous in Rome"

"Rendezvous in Rome" found our stage decorated with six towering pillars twined with garlands of ivy. A feeling of royalty was further enhanced by a purple and lavender sky filled with sparkling gold stars. After the Grand March, the 72 couples danced to the dreamy music of the Melody Men. Following refreshments, starry-eyed couples traveled to the Red Rooster for the After Prom Party.

"Noel" presented by Concert Band for Christmas Assembly

1-2-3-4! With a blaze of brass and a roll of drums, the Band bolstered our spirits at every football game. Instead of the usual formation, they skillfully paced-out precision drills, originated by Mr. Cribbs, their director, as they played selections from the "Sound of Music" and other Broadway shows. Besides marching in neighboring towns, they led all the local parades from Homecoming to Memorial Day. After football season, the Band converted to concert form; they presented Christmas and Spring concerts-performing excellently, as always.

Participated in County Band: Row 1: R. Weaver, G. Luciw, L. Klimkos, N. Wildfire, D. Parson. Row 2: C. Kulik, P. Peace, C. Michelotti, A. Tatarka, T. Pierce. Row 3: R. Dice, R. Weaver, W. Pearson, D. Deemer, T. Wildfire, K. Shaulis. Ruth Ann Weaver and Tom Pierce were chosen for District Band.

The spirit of togetherness--and victory
over Apollo!

After rigorous weekly practices during the summer, the majorettes made their first appearance at the Firemen's Carnival. Immediately following was the Indiana Fair, and then it was one half-time show after another. With such classical themes as "The Sound of Music", Herb Alpert's "Tiajuana Taxi", and "My Fair Lady", the girls were able to use more dance steps. But whether twirling to intricate routines, marching to precision drills, or just strutting high, the majorettes look great this year.

Trojans Drive to Indiana County Championship.

Undefeated, untied...the first perfect gridiron season in Saltsburg history...we leave behind this glorious heritage...highlighting along with the Perfect Season was winning the Indiana Co. Championship...sweeping honors on the All-County team...four players, all seniors, Curt McKnight, Bill Boring, Matt Bedick, and Dave Stuller...five more received mention...Curt was voted the Back of the Year and Matt received the similar honor for lineman...Coach Bob Flick received Coach of the Year honors as expected...the first field goal...scoring...rushing and other offense records...the Trojans led WPIAL Class B in scoring with 364 points and rushing yardage with 3364 yards.

Under the able guidance of coaches Flick, Fenoglietto, and Clawson the team ran up a 9-0 record. No one boy or several boys can be singled out since a commendable job was turned in by all...and, as it was so excellently summed up by Co-captain Bill Boring, "It was a team effort all the way!"

"Throw'm a screen pass!"

Cheer Team to Victory

Our 1966 cheering squad consisted of six enthusiastic girls who helped cheer our boys to victory. By raising money from bake sales, they were able to send two seniors, Sandy Busi and Toni Anecchini, to cheering camp. These girls came back with many new ideas for their original skits and rousing pep rallies.

The return of five lettermen from the previous year's squad was a promising beginning for Trojan hoopsters. Although the elements of guidance, encouragement and leadership were supplied by Coaches Clawson and Luffy, the steps to success were hard and rugged. Lacking height under the boards, the Trojans were forced to switch to slowing the game down. The tremendous efforts and fine performances turned in by the boys were outstanding.

The J. V.'s were victorious in many of their contests and should result in a brighter future for Saltsburg in basketball.

The '67 Trojanettes were under the well supervised direction of Miss Gail Emanuel. Four returning letterman sparked their ever-sure defense: Toni Anecchini, Michol Catania, Sharon Lanfrankie and Nancy Rose. Through-out the season the girls continued to put to good use

the maneuvers they had repeatedly and tirelessly practiced.

Adding strenuous work to the valuable experience they gained this year, the Junior Varsity, consisting of seventh and eighth graders, should become future indispensable Trojanettes.

Jerry Orvosh, 127. lb.-class wrestler, made history when he became the first Trojan ever to win a Sectional Wrestling match title. The entire team's good showing was quite outstanding-especially since they competed with 7 teams who have been engaged in varsity wrestling for 7-20 years. This is Saltsburg's 2nd season. Seniors Bill Boring and Jerry Orvosh, and Sophomore Walt Hankinson brought home trophies from the Indiana Co. Holiday Wrestling Tournament. Now Jerry will move on to District Tournaments in Altoona. Good luck, Jerry!

HAIL ALMA MATER

By Fred Barkley '57

Hail, Alma Mater-
Saltzburg High,
We think of days
And years gone by.
And praise we offer
Thee e'ermore--
As we depart from
Life's vast shore!
Oh, hear us when
We sing to thee,
Of our great love
And loyalty!

Hail, Alma Mater-
Saltzburg High
Thy Mem'ry sweet
E'ermore shall lie
Within our hearts
Within our soul,
As we march onward
Toward life's goal.
May God's rich blessings
E'er be thine,
And always thy loved
Name refined!

Inasmuch as our school years comprise one of the most important steps of our lives, we hope the memories of the 1966-67 school year will not fade with the passage of time, for we have carefully tried to preserve all the events related to school routine and social life. We have spent many desperate hours working, planning and worrying to meet deadlines in producing the yearbook of our dreams.

May this La Saltianna be the frame for many memorable portraits of the past year.

On Oct. 7, 1933, Saltsburg High School won a football game from Laurel Valley.

It was Saltsburg's first football victory after 37 straight losses and gave the Trojans' faithful fans the ammunition they need in their fight to keep the school from giving up the sport.

On Friday night, the 1933 Trojans will be shooting for the first undefeated season in Saltsburg High history when they tackle tough East Deer at Saltsburg. The best record ever posted by a previous Saltsburg team was the 7-1-1 mark in 1949.

In scoring, the Trojans are leading the WPIAL with 334 points, an average of almost 42 a game. But in Gardner points, Saltsburg unofficially ranks fifth among the six Class B teams shooting for a playoff berth.

Bob Flick, who coached the Trojans before the long drought, is the man responsible for the resuscitation. He returned as the football coach last season and the Trojans won five while losing four. They had won four in a row when East Deer stopped them in the final game.

Flick, who remained at Saltsburg as a teacher and track coach while he wasn't coaching football, says there is no secret to the success this year.

"All it took was four really outstanding boys in one backfield," he says, and the following statistics are pretty solid backing for the statements:

—Halfback Bill Boring, 185-pound senior, has averaged well over 100 yards a game and has scored 14 touchdowns and three extra points. Boring is the team captain, "the finest leader I have ever seen," Flick says, and was an all-Indiana County selection the past two years. He missed

—Fullback Curt McKnight, 190-pound senior, the kicking specialist who leads Indiana County scoring with 107 points on 13 touchdowns and 29 conversions. Of the five placements he has missed, one was blocked and another a "bad hold" according to Flick. McKnight is an excellent student.

—Halfback Andy Ghiardi, 175-pound senior, a speedster and tricky runner who has averaged more than seven yards a carry and has scored eight touchdowns.

—Quarterback Eugene Bartolini, operator of the Split-T offense. Although the Trojans are basically a running team, Bartolini has completed about 50 per cent of his passes.

Flick praised the work of his center, Matthew Bezick, a 175-pound senior.

"Bezick has been a regular for three years and I can recall only one bad snap and can't remember any bad exchange between the center and quarterback in that time," Flick says, adding,

"In addition, Bezick is a tremendous blocker."

The Trojans take pride in a 5-10, 143-pound tackle, Dave Stuller who specializes in defense. "Stuller has recovered six enemy fumbles, blocked two punts and has been the fifth man in the opponent's backfield all season, Flick says.

Others fronting the amazing attack are Ends Ron Townsend and Roland Young, exceptional blockers; Tackles Walt Hankinson, just a sophomore, and Ron Boring, a 265-pound 16-year-old, and Guards Barry Harkelroad and Barry Puzak.

Spelling the blazing backs are Carl Kulik, a 135-pound speedster, and Mike Honeycutt, a junior sprinter. Jimmy Moore, a sophomore defensive halfback, returned two punts for touchdowns before breaking a leg midway in the season. Cornerman Joe Cindric and Linebacker Wes Cyphert are other key figures in the Trojan uprising.

The Trojans' closest game was a 20-6 triumph over Purchase Line and the Saltsburg attack has produced more than 60 points in two games.

Mrs. Roth,

To the most wonderful teacher I have ever had. I will always remember how good you were to me especially during my Senior year. I don't know what I would have done without you.

You have taught me so many skills - now I hope I can do as well as I should. As room "38's" "mother" you were the greatest. Best wishes.

As ever,

To my second mother who has been the best teacher I have ever had. You have been a great sport in all my childish little stunts.

Thank you for letting me play "Clio."

I hope you won't ever forget me because I'll never forget you.

Congratulations

Always,
Pam.

Thank you for all the help & advice you have given me. I really appreciate it! Come down to D.C. & visit us. You are welcome any time. Don't forget me, how could you?

To one of the very nicest teachers I have ever know. I have really enjoyed some of my classes with you. I'll tell you a little secret. Lorraine & I ate pretzles in your class and you didn't even catch us. Better watch for that next year. Look under the type writer. I won't ever forget you and I hope you do the same.

I never get mad when you tease me I know you just mean to be friendly and to get me going.

I'm glad you kept me on the ball all the time. Because I know after I start to work I'll need all that "get up and go!" Thank you so much.

Good luck next year with the person that takes my place!

Thank you so much for just being you. I hope you will write to me when I'm at college and hope to see you throughout the years.
